Subject: Confirmation on HIPAA Compliance Assessment of Visionflex Pty Ltd

To Whomsoever It May Concern

This is to confirm that Scrut Automation Inc. has conducted a HIPAA compliance assessment of Visionflex Pty Ltd's systems. The assessment of the organization's controls as included in the "HIPAA Compliance Report" dated January 28, 2026, for the assessment conducted on January 12, 2026, was performed against the requirements of the Health Insurance Portability and Accountability Act (HIPAA, using guidance from NIST Special Publication 800-66 Revision 2.

Based on the procedures performed:

a) the organization's policies, procedures, and controls evaluated are aligned with applicable HIPAA requirements as of January 12, 2026.

b) the controls mapped to applicable HIPAA requirements are designed to provide reasonable assurance that the organization's safeguards for electronic protected health information (ePHI) are appropriately addressed.

c) based on the procedures performed, the controls tested were observed to be implemented and functioning as intended at the time of assessment, supporting the confidentiality, integrity, and availability of ePHI.

This assessment is a point-in-time evaluation and does not constitute a certification or ongoing assurance of compliance.

For additional information, please refer to the full HIPAA Compliance Report.
